

0:09	Happy Lunar New Year!
0:11	On behalf of the Hong Kong Economic and Trade Office in Dubai,
0:15	I would like to wish you and your family a very happy, prosperous, and most importantly, a healthy Year of the Tiger.
0:22	In the Chinese tradition,
0:24	the tiger symbolises bravery and strength –
0:27	most apt indeed as these two qualities are what we need as we enter our third year of the fight against COVID.
0:35	With spring just around the corner,
0:37	the Lunar New Year is a time when we gather with our family and friends to reconnect,
0:42	and look forward to all that the new year will bring.
0:45	In the coming year,
0:46	our office looks forward to building and bolstering connections with our counterparts in the GCC countries to introduce the many trade and investment opportunities that only Hong Kong can offer as the gateway to the Mainland Chinese economy and Southeast Asian markets.
1:03	I would encourage you to reach out to our office should you wish to find out more about our exciting city.
1:10	Hong Kong welcomes you.
1:12	Ladies and gentlemen –
1:13	let's all hope the Year of the robust and vibrant Tiger will usher in a bright year with the whole world bouncing back from COVID.
1:21	Once again,
1:22	I wish you all a very Happy Lunar New Year!
